**Building on
impact.**

Setting our future.

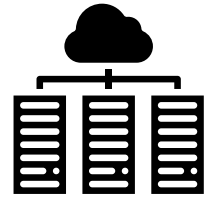

Who we are

The Charity for Charities

An organisation that helps to build up other third sector organisations

A support hub offering crucial advice and guidance

Purpose

Support

Develop

Enable

Advocate for

Inform

Values

Accountability

Bravery

Integrity

Our strategic priorities

Collaborations and Partnerships

- More productive partnerships: consider why/purpose and who
- What is a good partnership?: Develop partnering criteria, model the behaviour
- Development of partnerships across the whole staff team

Support and Capability

- Clear and flexible offer to the sector
- Ensuring our staff team has the skills and knowledge to deliver our services
- Keeping up with technology to support service delivery
- Early planning of services to support the sector to engage
- High quality consultancy offer

Financial Sustainability

- Grants/contracts: horizon scanning for self and sector
- Expanding footprint (as an organisation and in partnership(s))
- Business/strategy package for the sector
- Skills and services matrix – playing to our organisational strengths and recognising where the gaps exist in the market
- Visibility around our actions and services

What we do

The Offers

Universal: Delivered as an information giving service or sign posting to other organisations or help i.e. self serve from our website, or phone triage

Standard: group or one to one support as a free or low-cost service

Enhanced: Paid for training and consultancy support, providing bespoke packages for your organisation.

*“Collaboration
NOT
Competition”*

We work with, and for, the sector - not against it.

We work with partners to enhance what we can do, together.

subscribers

71% rated it **Very Useful**

sector jobs advertised
on www.snicket.org

What they say

“ We rely on [Community Action] to explain the complicated things like legal structures, funding applications, rules and guidance, how to do certain things, without charging unaffordable fees ”

“ [Community Action] is able to provide assistance quickly, resolve issues promptly and allow continuous service to our diverse communities ”

“ Brilliant from start to finish. Community Action are an amazing service and I would recommend anyone to try them for support and advice. They helped us with a five year impact report and did an absolutely outstanding job ”

“ We had a very positive experience. The team's knowledge of the local system and services was brilliant ”

“ The training delivered was very accessible, understandable and user friendly ”

“ The support received from Community Action was exemplary. They took the time to understand our needs.. Their technical skills and knowledge around infrastructure, financial planning and HR were excellent ”
